Honorable Michael Nachmanoff  
United States District Judge  
Eastern District of Virginia  
Alexandria, VA 22314

Dear Judge Nachmanoff,

I have known the Kancharla family for over a decade. They are a close and honorable family. I have worked on numerous community rotary service projects with their son Akshay. He is a quiet, considerate and service oriented individual. Having been a technology executive for over 35 years I have watched the internet develop in both its useful and corrupt ways. I believe the young man fell prey to the more corrupt ways of the world wide web.

I ask that you allow Akshay to learn from this unfortunate experience and provide him a way to prove himself by serving the community. I believe given a second chance he will be an upstanding citizen.

Thank you for your time and consideration.

Sincerely,

  
Walter J Oles Jr
